Frequently Asked Questions

What if I fill my bingo card? Are my uniforms guaranteed to be paid?

YES! The cost of one child's uniforms is \$400, which will be paid in full. In addition, every child who fills their bingo card will also get their 2021-2022 curriculum deposit paid!!

What if I don't have time to participate in this fundraiser? Is it required? Can I just pay for the uniforms and not do the fundraiser?

We cannot force anyone to participate in this fundraiser. However, fundraising is a good way to engage your child in civic minded activities, helps to create they're awareness that they are a part of a community. By raising funds that will benefit them, a child can begin to understand that there are people who care about them outside of their immediate circle. Of course, participating in the fundraiser will also help each class meet its goal.

What if I don't fill my bingo card? Are my uniforms guaranteed to be paid? Is there a minimum?

We would like to see every child strive to fill their bingo cards, but understand that not everyone will. We ask that every family just do their best!

What if I don't have social media?

Every family will receive a parent packet containing all the information and materials to fundraise without social media.

How do I get my cash/check payments to the school?

Please send your cash or check payments with your child to school in an envelope with their child's name and fundraiser written on the envelope.

What are the prizes?

There will be multiple incentives for the parents and students! Please refer to the Incentives page in the parent packet.

What if we fill more than one card?

WAY TO GO!!!! All incentives will be earned for parents and students!

What if I have multiple students?

Each student will receive their own Bingo card.

Frequently Asked Questions

How do we know when to do social media posts?

Please refer to the social media instructions contained in this parent packet. In addition, all social media graphics can be downloaded from the school's website.

Who do we ask additional questions?

Any questions regarding this fundraising campaign can be e-mailed to legacyacademyfundraiser@gmail.com or directed to any person on the Fundraising Committee.

Is there more than one prize to win?

YES! Each child will receive a prize for participation, but there are many other opportunities for your child to receive experiences and prizes. Please refer to the Incentives page in the parent packet.

Why do we do fundraisers?

Most organizations hold fundraisers in order to supplement any deficiencies within the organization. However, Legacy is conducting this particular fundraiser to prevent Legacy families from having any out-of-pocket expenses for the purchase and implementation of uniforms for the 2021-2022 school year.

Do I need to post daily?

It is suggested to post daily for optimal results, however it is not required.

What is any extra money going to be used for?

The breakdown of funds is as follows: Any funds earned up to \$400 will be applied toward the uniform cost of \$400 for the 2021/2022 school year. All excess funds will flow into establishing the school's uniform scholarship fund, unless you complete an entire black out of your bingo card. If you accomplish this goal, your 2021/2022 school year curriculum deposit of \$450 will be paid in addition to the uniform cost of \$400. The remaining funds will flow into the establishment of the school's uniform scholarship fund.
